

CITY OF NEW HAVEN, CONNECTICUT
A Peace Messenger City
NEW HAVEN PEACE COMMISSION

September 23, 2004

Honorable Joseph I. Lieberman
U. S. Senator, Connecticut
706 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Lieberman:

The City of New Haven Peace Commission has joined a large coalition of organizations to support the resolution of the U.S. Conference of Mayors calling for the elimination of nuclear weapons. We have enclosed their resolution.

We are eliciting your position on this critical issue that is featured almost daily in our newspapers. We will use the occasion of a statewide conference on nuclear weapons to be held in Hartford on Saturday, October 9th, to publicize the positions of our Congressional delegation.

We do hope you will agree with the position taken by Mayors representing the largest cities in our country.

Yours in Peace,
