## Meeting of the WPC Secretariat 10th May 2026 Prague/Czech Republic

### Plan of Actions

- Regional Meeting of Middle East WPC in Chania (Greece 6-7 June)  
This meeting and in the moment it takes place, will give the opportunity after some time to gather the anti-imperialist peace movements of a region which is in flames. The venue of Chania is related to the US military Base of Souda Bay, which is one of the five (5) biggest with capacity to harbor up to two aircraft carriers. It is often used during all the US and NATO aggressions and proves the strong and active commitment of the Greek government with the imperialists plans in the broader regions. Up to now the confirmed organisations are from Palestine, Syria, Lebanon, Egypt, Israel, Iraq, Tunisia, Jordan, Iran with guests from Turkey and Cyprus and the EEDYE as host. During the meeting there will be also a popular protest rally at the US base.
- WPC actions against NATO and its summit in Ankara (7-8 July )  
Based on the Peace Committee of Turkey we shall organize as WPC a seminar or conference on 5<sup>th</sup> July and shall explore the possibilities for the participation in the tentative mass rally/demonstration under the WPC campaign YES TO PEACE- NO TO NATO
- WPC actions about the anniversary of Hiroshima & Nagasaki bombing (6&9 August)  
This important 81<sup>st</sup> anniversary serves dozens of our members to organize events commemorating the US bombardment and the victims of the aggression. It serves also the purpose to remind our firm demand and position for the abolition of all nuclear weapons.
- The holding of the Regional Meeting of the Americas and the Executive Committee of the WPC October 30&31-November 1 in Montreal, Canada  
The Canadian Peace Congress will co-host the meetings together with the Quebec Peace Movement and the U.S. Peace Council at critical times for humanity. Mobilization for the success of the meetings starts immediately while special attention has to be paid for the VISA process for Canada.
- Solidarity Event of ICAP Cuba on the centenary of Fidel Castro in Havana (10-13 Aug)  
The Cuban Institute for the Friendship with the Peoples (ICAP) and other mass organisations of Cuba will organize an international event commemorating the 100<sup>th</sup> birthday of the Commander in Chief of the Cuban Revolution. This occasion will be a huge opportunity to form a multinational delegation of the WPC visit Cuba in solidarity with the Island of the Revolution in its heroic resistance against the imperialist maneuvers.
- International Solidarity Mission of the WPC to Palestine  
Due to the situation on the ground, it was not possible to plan such important visit earlier. We shall explore together with the PCPS Palestine a suitable date for the 2027.
